Teaching and learning-Resources and Facilities

- The college aims to provide a career relevant, motivating and challenging educational experience to our learners by continuous stakeholder engagement, research, scholarship, professional practice and enhancing our resources and capabilities.
- Strategic approaches to student development and achievement shall entail involvement from different staff and departments (academic departments and professional services, such as libraries, careers and employability specialists and technology enabled learning (VLE). You will have formative feedback throughout the module, with peer evaluation forming an important activity, giving you an opportunity to reflect upon feedback prior to submission. VLE is used for access to resources, discussion boards, conferencing and assignment feedback.

- The College aims to offer a range of undergraduate and postgraduate Programmes/ courses to the UK and international market. The college offer the Programmes / courses using three modes: purely online, blended and purely face to face delivery programs.
- The blended and face to face delivery will consists of pre-recorded lecture, synchronous/asynchronous lectures, workshops, group activities, seminars, case studies, simulations, Tutorials, tutor-guided independent learning workshops, project supervision and student independent learning and webinars etc.

Assessment-

The modules are assessed using combination of essays, reports, coursework, presentation group tasks, online test and reflection report etc.

- All units within this qualification are internally assessed by the centre and externally verified by OTHM. The qualifications are criterion referenced, based on the achievement of all the specified learning outcomes.
- To achieve a 'pass' for a unit, learners must provide evidence to demonstrate that they have fulfilled all the learning outcomes and meet the standards specified by all assessment criteria. Judgement that the learners have successfully fulfilled the assessment criteria is made by the Assessor.
- Specific assessment guidance and relevant marking criteria for each unit are made available in the Assignment Brief document. Assessments take place through a mix of coursework, reports, presentations and projects. Technology Enhanced Learning (TEL) is embedded throughout the course with tools such as VLE (eLearning Portal) and electronic reading lists that will guide your preparation for seminars and independent research.

Entry Requirements-Who are we looking for

***(For non-UK students coming to student in the UK-visit our page for international students)**
